### Mission

To Provide Standardized And Researched Cosmetic Products , Through Continuous Innovation, Creating Healthy Lives And Delivering Outstanding Values To Our Customers And Business Associates.

### Vision

To Be A Leading International Cosmetic Group, Developing People Trust In Quality And Excellence .We Want A Successful Business That Delights Customers And Team Members.

### Passion

Our Core Values Guide Is To Achieve Our Mission And Realize Our Vision. We Continuously Grow And Improve Our Business, Develop And Motivate Our People , Innovate New Solutions For Being Different, And Work With Honesty And Transparency.

## ❖ Why Choose Us?

The Rich Daddy International is a private label cosmetic manufacturing company with a state-of-the-art production plant in Surat, India. Our manufacturing unit offers highly flexible and versatile services in order to cater to the needs of a wide range of cosmetic companies. Whether you're aiming to outsource part or all of the production process, we can help.

We are non-compromising when it comes to customer-focused quality. This is initiated by embracing customer's quality standards as our own and then applying stringent principles of quality management, with integrated quality systems at multiple sites. Of course each project is led by well trained and experienced quality managers. Cycles of production and quality are improved through the different approach targeting zero waste.
